CYBERSECURITY MALAYSIA RECEIVED RECOGNITION FOR TRAINING SUPPORT EXCELLENCE AWARD

KUALA LUMPUR, (09 December 2016) – CyberSecurity Malaysia, an agency under the Ministry of Science, Technology and Innovation (MOSTI) today receives a recognition from BSI Services Malaysia Sdn Bhd for the "Training Support Excellence Award" 2016.

This award recognized CyberSecurity Malaysia's outstanding achievement in demonstrating business excellence with highest standard of ethical conduct. The inaugural prestigious award ceremony was held in conjunction with BSI Client Appreciation Night held to honour BSI clients who practice high standards to improve their organization and "Making Excellence a Habit".

"We are truly honoured with this recognition. It is another milestone and great achievement for us at CyberSecurity Malaysia. This award will definitely motivate us to deliver excellence services as a national cyber security specialist centre." said Dato' Dr. Haji Amirudin Abdul Wahab, Chief Executive Officer, CyberSecurity Malaysia.

As the national cyber security specialist centre, CyberSecurity Malaysia offers various information security competency and capability training programs (courses and certifications) as well as knowledge-sharing platform for ICT professionals, through Cyber Security Professional Development Program. These initiatives include providing competency and professional training programs, developing curriculum in cyber security for colleges, polytechnics and universities; and collaborating with institutes of higher learning (IHL) in various comprehensive cyber security modules to attract more Malaysians to join the ICT security sector.
